Re: L. E. Carpenter ACO, dated September 26, 1986
Final Risk Assessment

Dear Mr. Anderson:

I am hopeful that the meeting with Weston Inc. and the Department on December 4, 1991, has answered all the questions for the preparation of the Final Risk Assessment for the L.E. Carpenter site.

Within sixty calendar days after receipt of this letter, L.E. Carpenter must submit the Final Risk Assessment addressing Department comments dated November 8, 1991 for approval. This submission will be in accordance with paragraph 19 of the Amended Administrative Consent Order dated September 16, 1986.

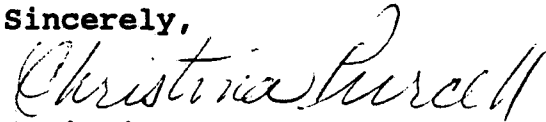

In the event that L.E. Carpenter fails to submit the Final Risk Assessment within the time frame noted herein, the Department reserves the right to assess stipulated penalties pursuant to paragraph 40 of the Amended Administrative Consent Order dated September 26, 1986.
